● COVID-19 Control Plan ●

If you have any of the below symptoms please reschedule.

Cough

Fever

Shortness of breath

Chills

Muscle pain other than chronic pain or from a particular injury

Headache

Sore throat

Loss of smell or taste

If you have questions about your symptoms call or email before your appointment.

Patients are asked to stay in your car until you are texted or called to come in for an appointment. You will need to:

Wear a mask

Temperature taken at the door – Above 99 degrees and you will be asked to reschedule

Use hand sanitizer

All of these measures are for your health and safety and are required by the Board of Medicine.

On file at the office we have a full COVID 19 Control Plan that we are implementing. If you would like a copy please ask.

We look forward to servicing you in a safe and healthy manner.
